Lake Forest College affirms that education ennobles the individual.

Our curriculum engages students in the breadth of the liberal arts and the depth of traditional disciplines. We encourage students to read critically, reason analytically, communicate persuasively, and, above all, to think for themselves. We foster creative talent and independent research. We embrace cultural diversity. We honor achievement.

Our faculty of distinguished scholars takes pride in its commitment to teaching. We know our students by name and prepare them to become responsible citizens of the global community. We enable students, faculty, trustees, and administrators to solve problems in a civil manner, collectively. We maintain a secure residential campus of great beauty. We enrich our curriculum with the vibrant resources of Chicago.

Lake Forest College celebrates the personal growth that accompanies the quest for excellence.

August 16, 1993

Dear Students of Lake Forest College,

The theme for this year could well be "A New Page." That seems appropriate with so much newness surrounding the opening of this academic year. A newly named building, Hotchkiss Hall, now stands open for classes. New computer technologies invite student participation. There are new faces on the Dean of Students staff: Jill Porter, Assistant Dean of Students; Alana McComb, Campus Activities Director; and Scott Wolterink, Director of Career Planning and Placement.

There are some new characteristics of campus life this year too. All of the residence halls on North and Middle Campus enjoy 24 hour Quiet Hours five days a week, from 5 PM on Sunday to 5 PM on Friday. For the first time, we have a substance-free living area for returning students, as well as for new students. Both of these changes contribute to our being the kind of learning community our Mission Statement mandates.

The most important aspect of this newness is that we begin this year with a new president, David Spadafora. Although new in that office, David is someone the whole Lake Forest College community has come to know and respect during his three years as Dean of the Faculty.

Newness is your challenge too. You start this year with a "new page." Write on it what you can be most proud of and what will help all of us to pursue the goals we have come together here to achieve.

Peace,

Ron

Ron Miller
Dean of Students

CAMPUS ORGANIZATIONS & AWARDS

STUDENT GOVERNMENT

History

The first Lake Forest College student body self-governing organization was the Student Council, which was established in 1917. Between 1917 and 1969 the student self-governing organization took various forms, from the Student Association and Student Congress of the 1930's to the Community Government Association (CGA) of the 1960's.

The current Student Government, established in 1972, is composed of the General Assembly (GA) and its subcommittees, the Executive Committee (EC), and the three SG officers: the President, Vice-President, and Treasurer. Student members of other college governance committees also play an active and important role in the Student Government. In addition, campus organizations are supported by Student Government.

Student Government Office

The Student Government Office is located in Commons and is open regularly Monday through Friday. Everyone is encouraged and welcome to stop by. Address any correspondence to Student Government, or call 735-5212.

Elections and Appointments

Student Government officers are elected in the fall, and most campus organization leaders and governance committee members are chosen in the spring. (Consult the SG Constitution, governance election sections, and organization write-ups for details.) There are many ways to be involved in Student Government without running for an elective office. Throughout the year SG will post notices announcing various committee openings. Applications for most organization positions are provided by Student Government. Petitions, when necessary, are to be signed by 25 full-time LFC students and are provided by the Dean of Students Office. All full-time LFC students are eligible to run for office.

Minutes

Minutes are posted on the Commons bulletin board. Any student interested in receiving current minutes for any of the college governance committees should contact Student Government.

Students and the Board of Trustees

Ultimate responsibility for running Lake Forest College rests with the Board of Trustees, whose members serve voluntarily. Through five standing committees, the Board oversees the annual operation of the College and makes long-range planning decisions. Two students, the Student Government President and Vice-President, serve as voting members on the full Board. The standing committees of the Board of Trustees on which students serve are composed as follows:

1. two student recommendations to the President at the beginning of the school year by the Student Government Executive Committee,
2. one alumni representative,
3. two faculty members appointed by the President,
4. an officer or staff assistant of the College appointed by the President to serve as ex officio Secretary of the committees, and
5. trustees appointed by the Chairperson of the Board of Trustees.

Committee on Development and Public Affairs - considers and recommends policies leading to programs designed to maintain and improve understanding and support of the College by its friends and constituents.

Committee on Enrollment - recommends policies concerning retention and recruitment of students, including marketing strategies, following a review of enrollment patterns.

Committee on Property and Operations - recommends policies for the administration of campus grounds and buildings.

Committee on Student Affairs - makes recommendations to the full Board of Trustees on student life and welfare.

The full Board holds at least four regular annual meetings. Standing committees usually meet just prior to the full Board, although some, such as the Investment Committee and the Budget and Audit Committee, meet more often.

Student members are links between the student body and the Board; it is their responsibility to keep each group advised of the other group's policies, problems and viewpoints.

During the spring term of each year, students who have compiled a 3.0 GPA overall, a 3.0 point GPA for at least 12 credits in economics (3 LFC courses), and have expressed a genuine interest in economics will be invited to join Omicron Delta Epsilon.

Phi Beta Kappa

Phi Beta Kappa is an academic honorary society dedicated to the recognition of superior academic achievement in the liberal arts and sciences. The Lake Forest College chapter (Theta of Illinois), one of 240 in the nation, was founded in 1962. To have a Phi Beta Kappa chapter approved by the national organization is a high honor for a college. In order to win a chapter, the college or university must meet Phi Beta Kappa standards in providing a solid and high quality liberal arts program.

Both faculty and students are members of Phi Beta Kappa. It is the faculty membership which each year elects student members on the basis of outstanding academic achievement. Ordinarily these are graduating seniors, but it is possible, in the case of extraordinary achievement, to be elected in the junior year. This is rare and is to be regarded as a special honor. New Phi Beta Kappa members are initiated in a special ceremony that takes place in the spring.

The criteria for election include sustained academic excellence as reflected in a strong academic record. Weight is given to the breadth of the program pursued by students, as shown by the number and variety of courses taken outside the major. Weight is also given to balance and proportion in the student's degree program as a whole. (Professional education and business courses and internships are not counted.) Finally, a student elected to Phi Beta Kappa is expected to have demonstrated at least a minimal knowledge of mathematics and of a foreign language appropriate for a liberal arts education.

Phi Sigma Iota (Foreign Languages)

Phi Sigma Iota is the foreign language national honor society. Its purpose is to cultivate interest and encourage excellence in the field of foreign languages. The organization offers its members and the College community at large an opportunity to come into contact with different aspects of foreign language and culture.

Lake Forest College's chapter was established in 1981. The chapter has sponsored panel discussions and colloquia by LFC students and by faculty members from LFC and from outside institutions.

Membership is awarded to outstanding students and faculty with interests in philosophy. Students can become eligible after three semesters of course work (which must include three courses in philosophy).

Pi Sigma Alpha, (Political Science)

Pi Sigma Alpha is the national political science honorary society. The LFC chapter was founded in 1971. Its purpose is to stimulate productive scholarship and interest in the subject of politics and government by honoring superior students in this field.

Membership requirements are an overall B average, excellence in physics, and the completion of courses through the sophomore level in physics. New members are chosen by present LFC members each spring.

Sigma Xi, (Science)

Sigma Xi is a national scientific honorary society whose members work to promote research, teaching, and public education in science. The Lake Forest College Sigma Xi Club, was elevated to full chapterhood in 1988. We thus became one of the few liberal arts colleges to have a Sigma Xi chapter. STUDENT HONORS AND AWARDS

The college community honors and rewards the outstanding achievements of its students and faculty by acclaiming them in public and by awarding them significant prizes at the Senior Honors Convocation in May and the first Convocation of the fall Semester.

In keeping with the dignity and College-wide importance of its convocations, only the most outstanding achievements are to be honored in this way. Prizes are awarded to the best students who have proved themselves genuinely outstanding by absolute rather than relative standards. Each prize is to be a distinguished and valuable reward commensurate with the occasion and with the prize winner's achievement.

Such distribution and value are embodied particularly in the prizes endowed and donated by friends and alumni of the College to perpetuate their ties to the academic community. These awards, presented at the Fall and Spring Convocations, collectively express and celebrate not only intellectual and personal excellence but also the special, enduring relationship between present and past generations of Lake Forest College.

Outstanding students in academic areas for which there are no endowed or donated prizes are honored out of the College's own prize fund for graduating seniors.

CASHIER - North Hall 107

Students forfeit the right to cash their personal checks if two of their checks are returned by their bank. There is a $5.00 service charge for any check returned by the bank. If a student loses a paycheck there is a $10.00 charge to stop payment, reissue, or pay cash. A limited supply of stamps and postcards are available for purchase from the Cashier.

COUNSELING CENTER - Hotchkiss Hall

Individual counseling is available to students who are experiencing academic, personal, or emotional difficulties. In addition, a variety of workshops are available to all students who may wish to further their personal growth and development. The workshops generally focus on enhancing the effectiveness of one's ability to communicate and relate to others, increasing achievement motivation, managing test anxiety, and improving study skills. Complete confidentiality is absolutely assured, and there is no fee involved for services provided to students

FOOD SERVICE - Commons

The Food Service is run by ARA. Menu choices are designed to please the tastes of the majority, while at the same time allowing for some individual preferences. Suggestions and comments from students are welcome.

A student I.D. card and valid Food Service sticker are required for entry into the Cafeteria. The Food Service sticker is available outside the Cafeteria during registration.

HEALTH CENTER - Sports Center

The College Health Center, in cooperation with Lake Forest Hospital, exists to assist students in maintaining a state of optimum health in order that they can pursue their studies at the College to the best of their abilities. Emotional and physical needs of the students are met in a way which is both corrective and educational.

Health care for faculty and staff is not normally provided by the Health Center. However, in an emergency, treatment will be provided and immediate arrangements made for further emergency treatment elsewhere.

Charges

Services are provided at the Health Center for students who have paid the clinic fee. Scheduled visits at the Health Center with the nurse or physician, dressing changes, physical examinations, mono spot, rapid-strep, urine tests for pregnancy, wellness teaching and suture removal are included. All other laboratory work, medication, and diagnostic x-rays are not covered by the clinic fee.

Emergency Service

In the event of an urgent illness or injury occurring when the Health Center is not open, the student should be seen in the Emergency Department of Lake Forest Hospital.

Health Records

All new, transfer, resident and commuter students are required to complete a Medical History Report. A pre-entrance physical examination including a urinalysis, hematocrit and serology with current immunization history is required prior to registration. This should be done by the student's own physician (form included in the Medical History Report). Students will not be permitted to register until the completed Medical History Report with Physical Examination is received by the Health Center.

If a student leaves the College and returns after a period of one year has elapsed, the medical report record must be updated by reporting to the nurse at the Student Health Center for reevaluation. If the student remains at Lake Forest College without leaving for a period greater than one year the health record will remain valid. This health record becomes a permanent part of the student's health file. When the student leaves the College, having graduated, transferred, or withdrawn, the health record will be kept for no less than five (5) years. The professional staff of the Health Center will chart in the student's health record. The health record will remain a confidential document and information will be released only with the written permission of the student.

Meals

In the event that a student is confined to the residence hall by illness or injury, a meal ticket for a sick tray order may be obtained in the Health Center or after hours from the Residence Staff. The sick tray order card will state the length of time for meals and the type of foods the student should receive. This card enables another classmate to bring food from the Cafeteria to the ill student.

Sports Injury & Team Physicals

Athletic-related injuries must be seen in the Health Center if at all possible. Most injuries do occur during intercollegiate athletic events, and these events are scheduled most often at times when the Health Center is closed. In these cases the injured student should be taken to the Lake Forest Hospital Emergency Department.

Physical examinations are required of all students who play sports. All new students (freshmen, transfers, commuters, residents) who plan to participate in intercollegiate sports must sign a release before a copy of their pre-entrance physical examination can be released to their coach.

Students will not be permitted to participate in intercollegiate sports if this requirement is not met. Physical examinations for returning athletes are done in the Health Center by the nurse or a physician at an appointed time and date, or can be done by their own physician. Physical examination forms are available at the Health Center or the Athletic Office.

HEALTH INSURANCE PROGRAM

All full-time students of the College are eligible for the student health insurance program; students residing in the College's residence halls are required to participate in the plan unless a written waiver is presented indicating evidence of equal or superior coverage. Insurance waiver forms may be obtained from the Business Office. Completed waivers must be returned to and approved by the Business Office before October 1 for full cancellation and February 1 for partial cancellation. For students entering or returning for the fall semester, full payment covers a 12-month period. Coverage for less than a full year runs to the beginning of the next fall term. Because of the low cost, this policy looks first to any other coverage before honoring claims. The provisions of the College Insurance Plan are detailed in a separate pamphlet available in the Health Center or the Business Office, and copies of the brochure are also mailed to all parents. Claim forms are available at the Business Office. It is the responsibility of the student or parent to have completed the proper claim form and to have presented it to the Business Office for

processing. The College insurance plan is limited and does not cover the cost of private doctor's office visits, dental care (except resulting from injury to sound natural teeth up to $100 per tooth), outpatient diagnostic charges (except resulting from an accident), maternity care or eyeglasses.

The College carries an additional insurance policy for varsity athletic teams; this policy also first looks to other coverage. Charges in addition to those covered by the policy are the responsibility of the individual.

LIBRARIES - Donnelley and Freeman Science

Reserve Readings

Teachers often assign readings in the library which are "put on reserve." These are available in both libraries. "Closed" reserves are available in both Donnelley and Freeman (in Donnelley at the Reserve Desk, near the check-out desk). In Donnelley, "closed" reserves are available fewer hours than the building is open (check the posted schedule). Donnelley "open" reserves are on browsing shelves in the Reserve Reading Room. All Donnelley reserves are used in the Reserve Reading Room, except 1-day and 3-day items which can leave.

Course Research Help

Reference librarians, available during most library hours in Donnelley, welcome students seeking help in finding information and ideas for term papers, debates, projects, etc. For help in Freeman Science, ask the student assistant on duty to call for assistance from a reference librarian.

Catalogs of Holdings

The LCS/FBR online catalog provides easy access to books in Donnelley Library. Holdings are also listed for libraries around the state, including the University of Illinois. Dial-up access is available through the campus (PDP-11) computer.

Card Catalog: provides back-up access to LFC book holdings.

Periodicals List: periodical holdings at LFC plus Lake Forest Graduate School of Management (South Campus), Lake Forest (public) Library, and Barat College.

Other Libraries

Students can obtain books and articles from other libraries by various means:

a) Interlibrary Loan. Fast service (usually two to ten days), at no charge. Ask at Reference Desk and plan ahead to make sure materials will arrive on time.
b) Visiting other libraries. Many libraries in town and in the Chicago area allow LFC students to use their collections on site or (sometimes) to borrow books. Ask at Reference Desk about the options available.

Audio-Visual (A-V)

Among the services available are:

a) Facilities for individual and group language learning, for individual video and music listening stations (cassette tape, phono disc, and C.D.);
b) video-tape equipment use and viewing related to course work;

d) general books to help the job hunter (resumes, job strategy, dress, specific careers, etc.).

Smoking and Food or Drink

Eating and drinking are not permitted. Smoking is permitted only in the second floor lounge in Donnelley.

Library Committee

A faculty/student library committee advises the administration and the College Librarian on library matters. The names of current committee members can be obtained from the College Librarian or the Dean of Faculty's Office.

LOANS (For emergencies or off-campus programs)

Loan funds are available from the Dean of Students for short-term emergency expenses and to assist students who wish to participate in off-campus study programs, practice teaching, or other academic opportunities directly supported by the College.

Loans will be granted for specifically demonstrable emergency educational or personal expenses (e.g., medical expense, travel expense due to death or illness in the family, etc.). A nominal interest charge is levied for use of these funds, and payment is due no later than the end of the semester in which the loan was granted. Grades and transcripts will be withheld from delinquent accounts.

Funds may not be loaned to pay College bills or other expenses which should normally be anticipated as a cost of attending college (e.g., telephone bills, car maintenance, etc.)

MAILING SERVICES - Commons, Lower Level

All incoming and outgoing mail and packages are processed through this department. Mailing Services is a United Parcel Service depository; however, no wrapping services are available. Packages should be ready to mail when taken to Mailing Services.
Students are assigned a mailbox which is located on the lower level of Commons. Students retain the same mailbox throughout their tenure at LFC.

The correct format for addressing incoming mail to a student at the College is:

VAN RENTAL

The Facilities Management Department has vans available for rent to recognized student groups. Vehicles may be used only for College-connected and approved activities. Drivers must have an operator's license and be certified by the Facilities Management Department as being authorized to drive these vehicles. The minimum charge is $8.00 and reservations must be made in advance. Any alcoholic beverages or controlled substances being consumed or transported in the vans will result in the person or organization having privileges of driving vans or van rental suspended for one year.

WRITING CENTER - Donnelley Library

The Writing Center offers free tutorial assistance, information, and resources to all students who want to become better writers, or need to cope with unfamiliar writing tasks of every type: short papers, lab reports, business letters, cover letters, research papers, senior theses or letters of application. The Center Director and a staff of well-qualified student tutors provide a free support service at all levels of writing competency: help with grammar, punctuation, manuscript preparation, and style; guidance to better organization, outlining and proofreading; English language instruction for non-native speakers and instruction in wordprocessing on microcomputers for beginners and experienced users. Handouts on various aspects of writing are available free of charge, and a well-stocked library of writing handbooks, style manuals and dictionaries may be consulted in the Center's tutoring offices. These materials cover the needs of all disciplines taught at the College, just as the tutorial staff represents a wide spectrum of disciplines and writing experience. Please note: the Writing Center is not a proofreading service, but a place to learn how to write well by doing it.

The Writing Center, located at the foot of the stairs on the lower level of Donnelley Library, is open to all members of the campus community at regular hours six days a week, including Tuesday, Wednesday, and Thursday evenings, and Sunday afternoon. Drop-in visitors are welcomed on a first-come, first-served basis.

SECTION IV

RESIDENTIAL LIFE

ADMINISTRATIVE AUTHORITY FOR HOUSING

Housing and specific room assignments are privileges which may be cancelled, withdrawn, or changed at any time at the direction of the Dean of Students or other College officials. Lake Forest College reserves the right to use residence halls for housing students or for other purposes during recess periods.

ARRIVAL AND DEPARTURE TIMES

At the end of the year, resident undergraduates must check out of their rooms 24 hours after their last exam or by 5:00 p.m. the Thursday prior to commencement, whichever is earlier. Those graduating are required to leave by noon on the Sunday following Commencement.

All non-graduating students who wish to request an exception to the College's policy to remain on campus after 5:00 p.m. on Thursday must submit an application for permission to stay late to the Dean of Students Office by 5:00 p.m. the Tuesday prior to graduation. Approval is not automatic and those applying are urged to do so as early as possible. Applications are available at the Dean of Students Office.

All students who are approved to remain on campus must be available to work for a campus department a minimum of five hours both Thursday and Friday. Students working as ushers during Honors Convocation and Commencement must work a minimum of five hours. Students working for campus departments will be paid in accordance with the College policy on student wages. Ushers will be provided meals rather than financial reimbursement for their service.

Unapproved late departure will result in a $25.00 per day fine, an administrative warning and the cancellation of the housing preference of any individual who fails to meet the requirements stated above. Such individuals will be placed on the housing wait list.

HOUSING REFUNDS

Refund policy guidelines are published in the Lake Forest College Bulletin. A student whose withdrawal is effective prior to the end of any semester for which a validation sticker has been affixed to the I.D. card is required to submit his/her I.D. card to the Cashier at the Business Office for removal of the validation sticker. Withdrawal applications as well as refunds will not be processed until the date the validation sticker is removed. Refunds, when appropriate, are given after all library fines, damage charges, etc. have been paid.

BOARD is required of all resident students for the full academic year and is so contracted with the food service company. Requests for release from the board plan should be forwarded to the Business Office with complete medical or religious documentation, which must include a detailed diet signed by a medical doctor or the proper religious leader.

DAMAGE POLICY AND CHARGES

Damage is defined as any change in the condition of College-owned property occasioned by carelessness, accident or intentional action on the part of students or their guests. At the end of the school year, all rooms will be inspected and occupants will be charged for missing or damaged items. The condition of the room as indicated on the Room Inspection Form completed by the student and/or staff upon moving into the room will serve as the basis for the inspection, when the student no longer resides in the space.

January 10	Monday	Registration
January 11	Tuesday	Classes Begin
January 12	Wednesday	
January 13	Thursday	
January 14	Friday	
January 15/16	Sat/Sun	

Charges, except in cases vandalism, will be determined by the actual cost (material, labor and overhead) of replacement or repair of the property damaged. The individual cost factors will be determined by information obtained from regular work orders used in carrying out the repairs. The cost may include material and labor obtained from outside of the College when the Facilities Management Department determines that is appropriate. Standards of type and quality of repair are to be determined only by the Facilities Management Department. The minimum charge for screen repair is $25.00.

VANDALISM

Strong punitive steps will be taken when an individual or group, who cause damage in a public area, is known. If the individual is held responsible for the damage through the judicial system, a punitive monetary amount will be added to the replacement cost of the item(s). (If the individual or group steps forward and accepts responsibility immediately following the damage, only replacement costs will apply.)

DETERMINING RESPONSIBILITY FOR DAMAGE

If the individual responsible for damage is identified, only that individual will pay. When the responsible individual cannot be identified, those persons living or present in the area may be charged. Students are prohibited from repairing any damage.

Resultant charges will be processed by the Facilities Management Department through its regular procedures. On a weekly basis, the Damage Review Committee (comprised of a representative from the Dean of Students Office, the Facilities Management Department, Security, and a student appointed by the Executive Committee of Student Government) will examine the weekly damage reports and hear any student appeals. The billings will be generated by the Facilities Management Department with instructions that the individual(s) being billed may appeal to the Damage Review Committee if desired.

Appeals must be submitted to the Damage Review Committee within 10 working days of the date on the damage charge notice. The Committee has the authority to cancel specific charges, or to levy charges when investigation by the Committee yields identification of the responsible parties. Final authority and responsibility for all matters pertaining to damage on campus rests with the Dean of Students Office. If there is no appeal or if the appeal is denied, the Facilities Management Department will forward the charge to the Business Office at the end of the 10-day period.

FIRE SAFETY

Fire safety is an issue of paramount importance to all individuals at the College. In order to adequately safeguard lives and property, please do the following whenever the fire alarm sounds:

1. close windows,
2. open drapes and/or shades,
3. turn on lights,
4. close but do not lock doors, and
5. exit quietly and move away from the building.

It is also suggested that you take the following articles:

1. coat (particularly in inclement weather),
2. shoes (appropriate for fire escapes and the elements), and
3. a wet towel (to be used over head and face in the event of smoke or flames).

DO NOT RETURN to the building until you are authorized to do so. Students who fail to vacate the building during a fire alarm will be issued an Administrative Warning.

To continue, in compliance with all local and state fire ordinances, all residents should be aware of the following safety guidelines.

1. Room decorations: Tapestries should be set against the wall and well away from all outlets. Room furnishings must not impede quick access to corridors from the sleeping areas, especially in the quads. Fire retardant sprays are suggested for all wall coverings.

2. Appliance use in student rooms should be regulated by common sense. Do not overload one outlet with a myriad of extension cords and octopus plugs - an overload could cause an electrical fire. Students may not splice into the electric wiring for any reason.

3. Smoke detectors: Smoke detectors as well as approved extension cords are available at local hardware stores.

4. Trash cans should be kept away from bed coverings and furnishings. Do not store cans in closets. Do not throw cigarettes into trash cans.

5. The following are prohibited:

   a. storage of flammable materials,
   b. storage of newspapers in residence halls,
   c. storage of motor-driven vehicles in residence halls
   d. storage which impedes access to rooms, and
   e. live cut trees.

6. False alarms or tampering with fire safety equipment violates Illinois law and will be severely dealt with by the Conduct Board and/or civil authority.

8. Fire escapes and fire doors are to be used only when the alarm sounds. Use of fire escapes or fire doors is strictly prohibited at all other times.

TO REPORT A FIRE, CALL 911.

HOUSING CHARGES, CHANGES, AND CHOICES

A. **Room Charge:** Single, double, and quad accommodations are available for $2,095 per person per academic year ($1,047.50 per billing period).

B. **Room Changes**: Following the second full week of classes and prior to the last four weeks of classes in any term, requests for room changes will be processed by the Dean of Students staff. Consultation with roommates and Residence Staff is expected prior to presentation of room change requests. A list of vacancies is posted in the Dean of Students Office, and a Room Change Request Form must be filed in order to be considered. Approved room changes must be made within 72 hours. The Arrival and Departure Procedures published in this section should be followed, and failure to move may result in cancellation of your request.

C. **Room Selection:** Students who have established a $100 credit balance with the Business Office by April 1, are eligible to select rooms for the following academic year. If the credit balance is established after April 1, but prior to Room Draw, the student will be assigned a number at the bottom of the list of numbers for the student's class. Failure to meet the April 1 deadline will cause a student to be ineligible to exercise squatters rights. A complete schedule of dates for the room selection process will be made available in the Fall.

1. Squatters Rights- upperclasspersons desiring to remain in the room they secured in the room selection process will be permitted to do so if certain criteria are met. The opportunity to squat will take place prior to room draw and specific information will be made available in the Fall of 1992.
2. Room Draw- students who are not eligible to squat, or choose not to do so, may select a room through their position on a randomized computer draw list.
3. Housing Wait List- no wait list will be established following the spring selection process. As spaces are available, they will be filled.

Students who want housing at any other time should complete a Housing Request Form at the Dean of Students Office. During the academic year, assignments will be made as soon as possible and as space becomes available.

Individuals who have filed an off-campus application may not participate in Room Selection. Students living off-campus at the time of the draw will be presumed to be off-campus students for the coming term unless they make their change in status known to the Dean of Students staff prior to April 1.

D. **Vacancies in Residence Hall Rooms:** When students have a vacancy in their room, one of three things may happen:

1. The current resident(s) living in the room may find someone she/he would like as a roommate. If they agree, they should approach DOS together and request a room change, so the friend can fill the vacancy. This should be done as soon as the vacancy occurs.

January 31	Monday
February 1	Tuesday
February 2	Wednesday
February 3	Thursday
February 4	Friday
February 5/6	Sat/Sun

2. The current resident(s) can wait and take his/her chances of enjoying the extra space. If she/he does this, she/he is taking the risk of being assigned someone new. At any time, a new roommate assignment can take place from the Dean of Students Office.
3. At some point, DOS will probably fill the vacancy with a student who needs a room change or is just moving onto campus. Once DOS starts the process of assigning someone to a current resident's room, it is too late for the current occupant(s) to request someone specific.

E. **Residents(s) Rights:** A student living in the residence halls has a right to live, sleep, and study in an environment free from a roommate's sexual activities. If a student engages in sexual activity in the presence of his/her roommate and without that person's explicit agreement to this activity, then that roommate has the right to file a complaint against that student through the Dean of Students Office. If this conduct is confirmed, it may lead to the student being reassigned to another room on campus or losing campus housing privileges completely.

F. **Summer Housing** is available only for the following:

1. students attending summer school at LFC, or
2. students employed full-time on campus.

Applications are available at the Dean of Students Office and Campus Activities and are due in April. Late applications will be accepted if space is available. The cost of summer housing is determined in the spring and a deposit must accompany the application. Summer residents must vacate the campus within 48 hours of termination of College employment or classes.

G. **Off-Campus** approval will be given to all sophomores, juniors, seniors, and married students who submit an application to the Dean of Students Office. Freshman may obtain an off-campus release if (a) pursuing an educational project (e.g. tutoring in return for room and/or board), or (b) eligible for a work/live-in arrangement with a local family during the release period. The applicant must submit a written statement which describes the terms and conditions of (a) or (b) with the application. The terms and conditions statement must include the signature and address of the person(s) to whom the student is responsible.

H. **RESIDENT TO NON-RESIDENT**
FALL SEMESTER:

1. A student who has gone through the spring room selection process (room selection, squatters' rights, etc) and decides to change residential status from a resident to a non-resident and notifies the Dean of Students Office by July 1st, will lose the $100 deposit.
2. If the student informs the Dean of Students Office between July 1st, and the last day of registration, he/she loses the $100 room deposit and will be charged an additional $150.
3. If the student informs the Dean of Students after the last day of registration for the fall semester, he/she will lose the $100 deposit and be charged $150 plus pro-rate housing costs.

SPRING SEMESTER:

4. A student who informs the Dean of Students Office who decides to change residential status from a resident to a non-resident and notifies the Dean of Students Office by January 6th, will not be penalized.
5. If the student informs the Dean of Students Office between January 6th, and the last day of registration, he/she will by charged $150.
6. If the student informs the Dean of Students after the last day of registration for the spring semester, he/she will lose the $150 penalty and pro-rated housing costs.

KEYS

Key Pick-up Residence Hall room and entrance keys are available from the Residence Staff when you check-in and should be returned to the Residence Staff when you check-out. A room key and an entrance key are issued to each student. A yearly $5 deposit is held on account for the entrance key and will be refunded or credited to the account at check-out when the key is returned.

Lost Key Charges An individual losing a room key will be billed $20 and the lock on the door will be changed. Individuals losing their entrance key will lose their $5 deposit. Students not turning in both keys at check-out will be billed $20 for the room key and will lose the $5 deposit for the entrance key, as well.

Extra Keys Extra room keys will only be issued if a receipt from the Business Office indicating a $20.00 deposit (refundable when the extra key is returned) and a letter signed by all residents, the Head Resident and the resident student who will hold the key, is presented to the Facilities Management Department. The extra key must be returned to Facilities Management before a key refund will be given to any occupants.

RESIDENTIAL GROUPS

Every resident student has a right to draw available space anywhere on campus and to make use of residence hall facilities. Therefore, residential groups must serve significant purposes to warrant residence hall space that is set aside. A group of no less than 10 students may apply to the Dean of Students Office for residential group status. Residential groups should provide semester social plans to be coordinated under the direction of the Activities Office. Included under this provision are all events to which any non-member is invited.

A. **Selection** criteria will be determined by the Dean of Students Office. Current criteria include the following:

1. potential contribution to the College community,
2. rationale for the unit,
3. benefit to individual members, and
4. benefit to non-member residents.

More complete information concerning selection criteria and evaluation procedures is available from the Dean of Students Office.

B. **Applications** are due in February and are available in the Campus Activities Office. Applications will not be considered if unpaid damage charges exist on the respective accounts in the Business Office.

C. **Governance** will be the responsibility of a leader or leaders elected or appointed by each residential group. Groups are accountable to the Dean of Students Office for the actions of group members and their involvement in the residence halls. Groups will be reviewed annually by the Dean of Students Office. Groups are expected to adhere to all College policies, though supervision of more stringent guidelines will be the responsibility of group members. Whenever an infraction occurs, group leaders will be required to discuss the incident with a member of the Dean of Students staff and may be passed to the Panhellenic Hearing Board. Infractions range in seriousness from minor violations (e.g. violating quiet hours) to major violations (e.g. violating prohibitions against hazing, negligence, or drug use). Sanctions for infractions will be determined by the Dean of Students staff. These may include but are not limited to verbal warnings, written warnings, probation or disbandment.

Warning: A summary of the incident and its resolution and/or a written warning will be sent to the faculty advisor as well as to the president of the group, and will be placed on file for consideration when the group reapplies for residential group status.

Probation: The group may be placed on probation for a period of time to be specified by the Dean of Students. Probation may result in loss of lounge space.

Disbandment: The residential group may be disbanded permanently.

D. **Rush and Pledging:** Rush consists of activities which take place prior to selection of members. Pledging consists of activities which take place after an individual has been invited to join an organization. Rush and pledging activities must follow the guidelines outlined below.

1. Alcohol may be offered at one rush activity. There is to be no alcohol present at any other pledge/rush activity.
2. The president of each residential group is to present a calendar of rush/pledge activities to the Dean of Students for approval at least one week prior to the first event.
3. During the fall semester, rush activities are to be limited to three events.
4. All bids to join residential groups will be given on one weekend. This weekend will be determined prior to the end of the first semester by the Dean of Students Office acting on the recommendation of the Panhellenic Council.
5. Pledge activities cannot begin until bids are extended and must end no later than the Thursday prior to midterms.
6. No rush/pledge activity is to take place off-campus without written approval of the Dean of Students Office.
7. No rush/pledge activity may distract the attention of a class away from the educational process.
8. Pledging activities are not permitted in the dining hall.
9. All students invited to join a residential group requiring a rush/pledge period must have a minimum cumulative grade point average of 2.0 as well as a 2.0 the semester prior to pledging. It is the responsibility of each residential group to submit a list of interested students to the Dean of Students Office at least one week prior to extending bids. Individual grade point averages will not be released; the Dean of Students Office will simply indicate whether or not those on the list meet this requirement.
10. Guidelines for sleeping in lounges are to be developed by the College Life Advisory Board on a year to year basis.

All active members of the residential group, as well as the pledges themselves, are obligated to use good judgement during the pledging process. Specifically, it is expected that those participating in this process will get adequate sleep and attend all classes. Activities which interfere with academic performance or classroom decorum are prohibited. As a general rule, the group pledge director should consult regularly with the Dean of Students Staff prior to and during the pledge period to ascertain that proposed activities are consistent with College policies.

E. **Space Responsibilities:** Residential group members are responsible for their lounge, hallway, and balcony areas when these areas are accessible primarily to members or guests of the group. In addition, residential group members are responsible for public areas directly connected to group space (e.g. the corridor outside a group lounge, the stairwells and hallways leading to a lounge) during the registered or de facto hours of a group function that is open to members and guests. Thereafter, proprietary responsibility rests with the Residence Staff and/or all residents of the building. The test for residential group responsibility is reasonableness.

Unit members are expected to take reasonable steps in the planning of events to insure the safety of persons and property. It is reasonable to expect that the consumption of alcoholic beverages will be controlled by group members. It is reasonable to expect group members to escort "problem" people out of the residence hall, not just out of the lounge or room. It is reasonable to expect designated group members to serve as host/bouncer/sergeant-at-arms type persons during group functions.

February 23	Wednesday
February 24	Thursday

F. **FACULTY ADVISORS:** Every Residential Group is required to have a faculty advisor. It is the responsibility of the President of each organization to meet at least once a month with their advisor(s). Organizations failing to meet these requirements will be referred to CLAB where they face the possible loss of all campus privileges, including recognition as a student organization.

RESIDENTIAL REGULATIONS AND SERVICES

Antennae: Radio or television antennae placed outside students' rooms are prohibited.

Appliances: Students are warned against overloading the electrical circuits in their rooms. Each room carries a load of 3 to 7 amps. A stereo, television, and refrigerator each draw approximately 2 amps. Rooms are not wired to permit the use of large electrical appliances. Air conditioners are not allowed in any College residence hall.

Barbecues must be used outdoors, away from buildings, and in an appropriate container. Barbecues are prohibited on balconies, and briquettes or fluid may not be stored in student rooms.

Bicycles must be parked in assigned areas inside and outside the residence halls. Bicycles should be registered with the City of Lake Forest which can be done at the Campus Security Office.

Candles may be used during religious holidays and at other times if enclosed in a glass chimney and used with extreme care. Strobe candles are prohibited, and no candle should be kept burning when occupants are asleep or out of the room.

Decorations should be guided by good sense. Curtains or blinds cannot be removed from windows. Occupants are fully responsible for damages to their room. Nothing can be drilled, nailed or screwed into the walls, ceiling or floor.

Furniture in Lois and Deerpath must remain in the room at all times. Residents in other halls may request furniture removal by filling out a work order through their Residence Staff. Furniture should never be removed from the room by residents.

Guests may share resident facilities for periods up to 72 hours per month provided the Residence Staff is notified. All guests must have a guest I.D. card (available from the Security Office) and a designated resident student host.

Housekeeping and maintenance services are the responsibility of the residents who are expected to help maintain a clean, healthy living environment in the hall. Problems should be reported to the Residence Staff who will contact the Facilities Management Department. The Facilities Management Department will only accept Work/Repair Orders requested by the Residence Staff. Housekeeping services are provided in bathrooms (except Head Resident apartments), hallways, and other public areas.

Laundry facilities are provided in all residence halls. Problems should be reported to the Head Resident, and refunds are possible by reporting the machine location and number to the Dean of Students Office.

Lofts and bunk beds are allowed in the residence halls only if they are freestanding. They cannot be drilled, nailed, screwed or attached to the walls, ceiling or floor in any hall. Lofts found not to be freestanding will be dismantled. Damage and other dismantling charges will be billed to the residents.

Lounges are located in all residence halls and the cleanliness of lounges is the responsibility of all students. Removal of furniture is prohibited and subject to disciplinary action. Replacement or moving charges will be assessed against anyone who removes lounge furnishings.

Microwaves are prohibited.

Painting of residence hall rooms is prohibited. Any changes to the walls and ceiling will be the resposibility of the residents.

Pets are strictly prohibited in residence halls or other public areas. Small animals kept in cages or bowls at all times are permitted. The occupant is responsible for any consequences resulting from the presence of a pet. Failure to remove any animal when specifically requested will result in eviction of the resident.

Quiet Hours in Nollen are 24 hours a day, 7 days a week. In Blackstone, Deerpath, Harlan and Lois quiet hours are 24 hours from 5PM Sunday through 5PM Friday. On Saturday and Sunday they are from 2AM to 10AM. In Gregory, McClure, Moore, and Roberts quiet hours begin at 9PM and end at 10AM, Sunday through Thursday. On Saturday and Sunday they begin at 2AM and end at 10AM.

Noise levels should conform to reasonable standards allowing the pursuit of academic objectives at all times. At no time should amplification equipment or noise be directed outside the individual room or placed on the balcony. Courtesy, cooperation and the excercise of individual responsibility are expected at all times.

Residence Staff: Each residence hall has at least one Head Resident and one or more Resident Assistants who are members of the Dean of Students staff. These persons are responsible for the operation and management of the residence halls; development of in-residence programs; communication between residents and the faculty/staff concerning academic, social or personal matters; and the general conduct of individual residents.

Shipping to the College should be in care of the student, and shipped items may be claimed at the mailroom. Shipping to and from the College is entirely at the owner's risk.

Storage on campus is at the owner's risk. The College cannot be responsible for damage to or theft of articles left on campus. Each residence hall has designated storage space. For your protection, all items must be boxed, dated, and labeled. Belongings cannot be stored for individuals not registered for classes at the College. Unidentified materials will be disposed of in order to maintain maximum usable space. In the spring, items for the following year should be stored in the residence hall to be occupied in the fall.

Water beds are permitted in Gregory, McClure, Nollen, Roberts, and the annexes of Blackstone and Harlan. Engineering limitations prohibit water beds anywhere else on campus. A Water Bed Agreement must be filed with the Head Resident, and anyone with a water bed is responsible for any resultant damages, including personal liability in case of electrical shock. Parents of dependent students are to be made aware of the Water Bed Agreement by the student with the water bed. Students with water beds should bring their own hoses for filling and emptying the beds.

RIGHTS AND RESPONSIBILITIES OF RESIDENTS

Residents are guaranteed privacy within the confines of their rooms on campus. Representatives of the College should not enter a student's room except under the following conditions.

1. Rooms may be inspected for general physical conditions and/or damage, as well as for fire safety or health standards, when written notification has been given 24 hours in advance or when the student has requested inspection or repair work.
2. Rooms may be inspected during vacation periods.
3. In emergency circumstances when imminent danger to life, health, safety, or property is reasonably feared.

Any school official who is legitimately in a student's room may react to any violation of the law or the regulations of the College based on visible evidence--e.g. stolen property, weapons, illegal drugs or drug paraphernalia, and health hazards. Any kind of physical search, however, can be authorized only by court authority or by permission of the Dean of Students Office. A physical search involves opening drawers and/or closets, examining the contents of clothing articles, etc. To obtain permission from the Dean of Students Office for a physical search, application must be made to one of the deans specifying the reasons for the search and the objects or information sought. The student occupant(s) should be present, if possible, during such a search.

Students who believe that these procedures have been violated in any way should bring their complaint directly either to the Dean of Students or the President of the College.

SECTION V

POLICIES AND PROCEDURES

ACTIVITY FEE FUNDING GUIDELINES

The Activity Fee is determined by the Administration of the College and is collected by the Administration as a part of the general fee structure of the College; failure to pay the fee results in suspension of a student's registration at the College.

The College allocates the fee to Student Government once a year. Responsibility for the disbursement of these funds lies directly with Student Government and its officers.

The Administration reserves the right to withhold funds already collected if the Student Government should cease to exist or if procedures are not adequately enforced, and to revise the fee or to cancel it entirely for a given year if it is determined that established priorities are not being met and/or procedures are being violated, or for the best interests of the College.

A review may be held at any time at the request of either Student Government or the Administration, and will be held each year no later than February (prior to the determination of the College's budget); such reviews are to be undertaken by the College Life Advisory Board, which shall report its findings to the Dean of Students Office.

Priorities

The Activity Fee shall be distributed in recognition of the following priorities:

a) maintenance of a representative Student Government;
b) encouragement of responsible Student Government, through procedures which recognize and reflect individual expressions of funding priorities;
c) maintenance of an effective, community-wide communication system on campus (e.g. *The Stentor*, WMXM);
d) support of a comprehensive program of community-wide cultural activities;
e) encouragement and support of a residence hall program which includes residential groups;
f) encouragement and support of sub-groups within the total community which contribute to the strength and diversity of the entire community.

Procedures

a) The Budget of Student Government shall be set annually by the Government in the spring of each year.
b) All accounts of Student Government will be maintained within the College's accounting system and will be subject to semi-annual review by the College's Business Officer.
c) All programs, events, publications, etc. supported by the Activity Fee shall be open equally to all members of the College community.
d) All expenditures must be in compliance with civil law and College rules.
e) Neither Student Government nor organizations granted "economic autonomy" may engage in deficit spending.

AIDS POLICY

It is the policy of Lake Forest College that students, faculty and staff shall not be discriminated against on the basis of exposure to or infection by the Human Immunod-

efficiency Virus which causes AIDS. Individuals who have been infected by the AIDS virus shall be afforded every reasonable opportunity to pursue their course of studies or employment as long as they are physically and mentally able to do so. All decisions regarding accommodation of infected individuals shall be made on a case-by-case basis and with the benefit of competent medical and legal advice. All information regarding infected students, faculty or staff shall be treated as confidential. In addition, this policy specifically provides for the following:

1. The President shall assign to appropriate administrators the responsibility to represent the College in all inquiries about the AIDS Policy, as well as for the implementation of related educational programs and support services, and shall designate those responsible for coordinating AIDS programs and services from the College's several constituencies.

2. Students and employees of the College who have been infected by the AIDS virus as indicated by a confirmed "positive" antibody test result and follow-up medical examination are encouraged to report their status to the office of the President, who shall retain final authority for approving accommodations which might affect the academic progress, housing assignments and/or schedules of those individuals.

3. The President, acting through appropriate administrators, will be responsible for advising persons infected with the AIDS virus (a) of available treatment, counseling resources and practices recommended to reduce the risk of transmitting the AIDS virus to others, (b) of procedures to follow in the event of a medical emergency, and, (c) in the case of students (and their roommates), of available optional housing assignments which will include a single room choice.

4. Individuals who are infected by the AIDS virus and who knowingly engage in "unsafe" behaviors which place fellow members of the College community at increased risk of infection may be subject to disciplinary action, up to and including suspension or expulsion.

5. The policy of the College regarding confidentiality of records shall be applied to all information, correspondence and data regarding students or employees known to be infected with the AIDS virus.

6. Where it is determined based upon competent medical authority that AIDS infected employees or students can safely and ably pursue their course of studies or employment, all members of the College community will be required to assist the College in implementing the obligation to refrain from discrimination against any such individual.

7. Sanctions for violations of this policy may be appealed through the appropriate grievance procedure, but final authority for dismissal or termination from the College for a violation of this policy shall rest with the President.

ALCOHOL POLICY

The State of Illinois requires that persons be 21 years of age or older to purchase, possess or consume alcoholic beverages. In addition, individuals who misrepresent their age in order to purchase alcoholic beverages, or who sell or give alcoholic beverages to underage persons are in violation of Illinois law.

Lake Forest College is not a law enforcement agency and does not assume responsibility for enforcing the state liquor laws. The College does urge students to familiarize themselves with the state laws and to conform with them.

Regulations:

1. Responsible Use of Alcohol

   Students are responsible for maintaining conduct which is at all times consistent with the educational purposes of the College. Excessive abuse of alcohol is considered a serious violation of the alcohol regulations and will cause the individual to be subject on the first offense to mandatory counseling on alcohol abuse, and thereafter to disciplinary action by the Drug and Alcohol Hearing Board. The minimum penalty for excessive consumption of alcohol following the first offense will be a Judicial Citation; a third offense shall ordinarily lead to suspension. [Note: The voluntary submission for medical or counseling review shall be considered a mitigating factor in the assigned penalty.]

   Organizations sponsoring events at which beer and wine are served are responsible for assuring that their guests do not abuse the alcohol regulations, for the safety of their guests including, if necessary, obtaining medical assistance, and for adhering to regulations published by the Dean of Students office. Failure to assume such responsibility will cause the organization to forfeit its privilege to host parties over a period of time to be determined by the Dean of Students, and may result in discipline up to and including the disbandment of the organization.

2. Locations where consumption of alcohol is permitted

   Consumption of alcoholic beverages is permitted only in private rooms, in registered lounges of residence halls, and Commonplace as specified below.

3. Private Rooms

   Students are responsible for their own conduct, and that of their guests, in individual rooms. In order to assure the right of others to enjoy quiet study conditions, when open alcohol is present in a room the door must be shut. No kegs, party balls, bulk containers or beer bongs are permitted in private rooms, and the occupants will be subject to disciplinary action if there is excessive noise or overcrowding.

4. Lounge parties

   Beer and wine are the only alcoholic beverages which may be consumed in reserved residence hall lounges approved in advance by the Dean of Students Office. No drinking games of any sort are permitted. (See Facility Registration Form, issued by the Office of the Dean of Students.)

5. With the permission of the President, Commonplace can be reserved for the purpose of holding an all-campus party where beer and wine may be served. Kegs are not permitted in Commonplace. Exceptions may be made for the final senior class party (see below).

6. The senior class may schedule up to four parties, restricted to seniors and guests, at which alcoholic beverages other than beer and wine may be served.

7. The all-campus lounge space in Gregory may only be used one evening per weekend. Organizations are encouraged to plan in advance to ensure the availability of the space.

Education Program:

1. Freshmen orientation will include a session for all freshmen on responsible alcohol use and an explanation of College regulations.

There are four members of the Club Sports Committee, including one student from the student body at large. This student is selected by the Executive Committee of Student Government in the spring term prior to the year that the student will serve on the Club Sports Committee. Applications are available to all students returning for the following academic year. The selection of the student member of the Club Sports Committee takes place at the same time as selections to the Trustee committees in the spring term. Other members of the Club Sports Committee include representatives from the Athletic Department, Student Government, and the Administration. Applications for Club Sports funds should be forwarded to the Club Sports Committee. These funds shall be distributed at the discretion of the Club Sports Committee.

The College is not a sanctuary protecting those who violate laws concerning illegal substances and College officials will cooperate with legal authorities whenever necessary and deemed appropriate. This policy will be biennially reviewed by College Council to determine its effectiveness and to recommend changes to the program to the President if they are needed. Such a review will also determine that the College's disciplinary sanctions are consistently enforced.

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics.

FEDERAL REGULATIONS AND GRIEVANCE PROCEDURES

In accordance with federal legislation, grievance procedures related to Public Law 92-318 (Title IX) and the Rehabilitation Act of 1973/Section 504 have been developed. Any grievance brought under the umbrella of these procedures must, by law, be specifically limited to the issue covered by these laws.

I. Sex Discrimination

No student shall, on the basis of sex, be excluded from participation in, be denied benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance. Title IX, which prohibits sex discrimination in education, requires the adoption of a grievance procedure to handle allegations of sex discrimination against students.

A. Scope of Review:

The inquiry must be limited to a consideration of whether the action or decision was tainted by the irrelevant consideration of sex. The Grievance Committee cannot make a de novo decision or substitute its judgment for that of the decision-making committee or administrative supervisor responsible for the decision.

B. Procedures:

1) Individuals with a grievance should discuss the grievance with the Dean of Students.

2) Failing resolution, the individual may petition the Grievance Committee to hear the complaint. The petition shall set forth in detail the nature of the grievance and shall state against whom the grievance is directed.

3) The Grievance Committee shall be the Conduct Board. The Committee, following the limits addressed in Section A ("Scope of Review") will attempt to make its report within ten days. If recommendations are made to the President, the President will inform the Committee of his disposition of the matter.

II. Handicap Discrimination

Lake Forest College does not discriminate on the basis of handicap against any otherwise qualified person by denying him or her participation in, or the benefits of, any College program or activity.

A. Procedures:

Section 504 requires the adoption of a grievance procedure to deal with allegations of discrimination on the basis of handicap. If a member of the student body feels there is reason to believe that handicap discrimination has occurred, under Section 504 of the Rehabilitation Act of 1973, grievance should be handled in the following manner:

May 2	Monday	Final Exams
May 3	Tuesday	Final Exams
May 4	Wednesday	Final Exams
May 5	Thursday	Residence halls close at 5 p.m. for underclassmen Senior Final Grades Due
May 6	Friday	
May 7/8	Sat/Sun	Commencement May 8, Residence halls close at noon for seniors

a) Individuals with a grievance should notify the Assistant to the President of their grievances, in writing, within seven days of the alleged incident.

b) Failing resolution, individuals should follow appropriate grievance procedures established for sex discrimination.

FIREARMS/FIREWORKS/DANGEROUS WEAPONS

The possession, carrying, or use of firearms, including rifles and shotguns, ammunition, explosives, or other dangerous weapons, instruments, or substances in or upon College premises, except by law enforcement officers, is prohibited. This regulation includes pellet guns, BB guns, slingshots, knives and fireworks.

FOOD SERVICE COMMITTEE

The Food Service Committee is a committee of Student Government which meets regularly with Food Service Management and monitors all on-campus operations of the food service contractor. The Committee provides a forum in which suggestions and recommendations may be aired and forwarded to food service personnel for their action. The Executive Committee of the Student Government will appoint three students (two of whom must be General Assembly members) to oversee the Committee and report back to the General Assembly on a weekly basis. These three students will in turn form a committee which will be open to no more than ten interested students from the Lake Forest College community, a representative from the Dean of Students Office, and a representative from the food service who will sit ex officio. The Committee, once formed, will elect its own Chairperson.

HAZING

Lake Forest College explicitly and emphatically prohibits hazing. Hazing is defined as any action taken or situation created by any group, on or off College premises, intentionally designed to produce mental or physical harm, discomfort, or harassment. Such activities and situations include but are not limited to paddling in any form, creation of excessive fatigue, physical or psychological shocks, morally degrading and humiliating games and activities, late work sessions which interfere with academic goals, coerced drinking, and any other activities which are not consistent with the guidelines, regulations, and/or policies of the College.

Hazing violations will be dealt with by the College's judicial system. In addition to those sanctions included in the judicial system, the Dean of Students staff may administer sanctions which include but are not limited to warnings, probation, or disbandment of organizations. (See "Residential Groups.")

IDENTIFICATION CARD

The ID card must have a current validation sticker attached in order to be valid. It must be presented upon request to any College official, Security Officer, Residence Staff member, Librarian, and at campus functions (e.g. residential group parties) or facilities (e.g. Sports Center, Library, Dining Hall) where identification is necessary.

The ID card should be carried at all times. It is furnished by the College for use as a means of personal identification as a Lake Forest College student and represents membership in the College community.

ID cards are available at the Security Office on weekdays between 9:00 a.m. and 4:00 p.m. Replacements for lost or damaged cards are available upon payment of a $5.00 (cash) charge. ID cards are not transferable, and misuse or alteration of a Lake Forest College ID card will result in disciplinary action.

JUDICIAL SYSTEM

The Judicial System is an integral part of our educational process in two ways: it provides those students who administer it a learning opportunity, and it requires of all students responsible behavior. Lake Forest College's judicial authority originates in the Board of Trustees and the President of the College. Changes in this document may be recommended by the College Council to the President.

Lake Forest College is committed to maintaining a diverse campus community, characterized by mutual respect. The College recognizes that each member of this community brings with him or her cultural values and norms unique to the individual. Within this context, the status of Lake Forest College as a residential academic community and the student's position as a citizen of that community make necessary certain rules and regulations designed to protect and promote a learning environment, to maintain order, and to control adverse behavior that infringes on the rights and freedom of others. A college education is primarily academic and intellectual in nature, but it also includes the development of values which translate into responsible behavior.

The judicial system at Lake Forest College is designed to support and protect student rights, your own and those of others. The system works for you as *complainant* or *respondent*.

> **complainant** - one who commences a personal action or investigation to obtain a remedy for an injury to his/her rights; the complaining party. In some cases, the College serves as the complainant.
>
> **respondent** - one who responds (the accused) or is liable to be called on in response to a complaint.

Judicial procedures at Lake Forest College have been established to provide justice in cases of alleged violations of College regulations by students. These procedures invoke the College's disciplinary authority and should be distinguished from public law enforcement, which is the province of local, state, and federal officials. If alleged acts are violations of both public law and College regulations, both courses of action can be pursued. The judicial procedures of a private institution are not set up to provide the "due process" rights one has in a court of law, but the "fair hearing" rights consonant with a collegial community. Students should contact the Dean of Students Office and/or make an appointment to discuss specific concerns with a dean.

When there is an alleged violation of College regulations, the student involved may receive a Judicial Summons, which requires that the student report to the Dean of Students Office within 24 hours (or the next working day). The Judicial Summons is not a sanction; its purpose is to inform the student that a violation of College regulations may have occurred and is under investigation. One of the deans will discuss the alleged violation with the student and try to determine his/her level of involvement, if any. After the investigative process has concluded, the case may be settled by mediation, dropped, result in an Administrative Warning, or be forwarded to the Committee on Dispositions.

Minor violations of the College regulations (including but not limited to open alcohol outside of buildings, abusive drinking, excessive noise) shall be dealt with through the issuance of Administrative Warnings by a Security Officer, Dean of Students staff member, or authorized Librarian. Administrative Warnings shall remain on record for the semester in which the warning occurred and the following two semesters. Summers do not count as semesters; consequently, an Administrative Warning received in the summer lasts for the next three semesters (i.e. fall, spring, and fall). The accumulation of three Administrative Warnings in this time frame makes the student subject to removal from campus housing.

Major violations of College regulations shall be considered by a Dean's Hearing, the Committee on Dispositions, the Conduct Board, the Drug and Alcohol Hearing Board, or

the Sexual Harassment Hearing Board. Major violations include but shall not be limited to the following:

1. physical or verbal abuse, including sexual harassment, acquaintance rape, intimidation, or any other conduct threatening the health or safety of any person;

2. disorderly conduct, public obscene actions, the disruption of legitimate activities of the College, behavior which interferes with the free speech or the rights of access to College facilities of any member of the College;

3. abusive, insulting and/or inflammatory comments or actions based upon race ethnicity, religion, gender, handicap or sexual preference;

4. theft or vandalism involving personal or College property;

5. unauthorized entry or use of College facilities;

6. forgery, alteration, or misuse of College documents, records, or identification;

7. perjury through the conscious furnishing of false information to College officials, the Committee on Dispositions, the Conduct Board, the Drug Hearing Board or the Sexual Harassment Hearing Board;

8. violation of public laws or College regulations pertaining to firearms, incendiaries, explosives, and other dangerous items;

9. failure to comply with directions of College officials acting appropriately in the performance of their duties, including the refusal to present a College identification card to a College official; and

10. possessing or trafficking of illegal drugs.

Dean's Hearing

Any student may bring a complaint, specifically of a very private nature (e.g. acquaintance rape or other irresponsible sexual behavior), directly to the Dean of Students. The Dean may attempt mediation. If the student wants to carry the complaint further, he/she must then submit the case to the Committee on Dispositions for possible referral to the Conduct Board.

Sexual Harassment Hearing Board (See Sexual Harassment Statement)

The Committee on Dispositions

A. Composition - The Committee on Dispositions shall be composed of a Dean of Students staff member, who shall be chosen by the Dean and serve as chairperson; a member of the faculty selected by the Faculty Personnel Policies Committee; and a student selected by the Executive Committee of the Student Government. The latter two must be approved by the President of the College. The Committee shall be appointed in timely fashion and shall take office at the beginning of the next academic year.

B. Process - A member of the College who has a complaint which could lead to a judicial action should bring it immediately to the attention of any member of the Committee on Dispositions. The complaint must be specific enough to enable the committee to make a decision. The Committee shall meet as soon as possible after receiving a complaint, at which time it will decide how the investigation as well as judicial aspects of the case should be handled. The Committee may require any member of the College involved in a violation of College regulations to appear; information given the Committee by such individuals may in turn be requested by

the Conduct Board or the President. The Committee shall advise all parties of their rights and courses of action open to them, including the right to seek assistance from local law enforcement officials. Once the complainant reports an alleged offense, he or she shall become a witness to the facts if and when the case is brought to a hearing.

C. Roles - Once the Committee has reviewed the facts, it has several options.

1. The Committee may decide that the case needs a further hearing and forward the case to the Conduct Board. A member of the Committee may appear at the Conduct Board hearing to present the case, though this is normally done through a written report from the chairperson.

2. In cases where the College is the complainant, where the respondent has admitted guilt, and where the matter does not seem to merit a hearing by the Conduct Board, the Committee may, with the consent of the complainant, settle the case and assign a sanction up to and including a Social Contract.

3. With the consent of both the complainant and the respondent, the Committee may resolve the case through mediation. If the Committee judges the mediation attempt to be unsuccessful, it may forward the case to the Conduct Board. The complainant, however, may not bring the case to the Conduct Board without the consent of the Committee.

4. The Committee may decide there is insufficient evidence to warrant pursuing the case.

The Conduct Board

A. Composition - The Conduct Board shall be composed of five students (plus one alternate) and two faculty members (plus one alternate). The students shall be nominated by the Executive Committee of the Student Government. Before the names are submitted to the President for final approval, they shall be posted for one week, during which students can examine the list and make any objections known to the Executive Committee. The faculty members shall be selected by the Faculty Personnel Policies Committee. These names shall then be submitted to the President for final approval. The appointments shall be made in timely fashion, with the new Conduct Board members taking office at the beginning of the next academic year. After the appointments are made, the Chairperson may, under pressing circumstances, call upon new members as substitutes. The Chairperson of the Conduct Board shall be a student elected by the five students, two faculty members, and two alternates.

B. Quorum - Normally there are seven voting members, though six voting members constitute a quorum. Alternates, when attending meetings as non-voting members, may participate in the discussions. The Dean of Students attends meetings and participates in discussions, though without a vote. A member of the Conduct Board may ask to be disqualified from a meeting on grounds of possible prejudice.

C. End of term and summer procedures - Violations of College policy from the last week of classes in one term through the first week of classes in the next term shall ordinarily be handled by the Dean of Students or his/her appointed alternate. The student charged may request a hearing by a special committee appointed by the President consisting of three students, two faculty members, and a representative of the Dean of Students Office. The special committee shall elect a chairperson and shall follow the judicial procedures outlined in this chapter.

D. The Hearing-Hearings shall be relatively informal and procedures shall be flexible. Before a hearing, the chairperson shall recommend any further procedural guidelines which do not contradict what is stated in this document. The hearing

is closed. A tape shall be made of the hearing and shall be kept nine months. The Conduct Board may summon any member of the College community as well as any other person. If a student does not appear when summoned, the Conduct Board may impose a sanction. For faculty members and administrators who do not appear, sanctions up to letters of censure may be recommended. All witnesses before the Conduct Board may be questioned by the respondent and/or the respondent's counsel, the Dean of Students, and members of the Conduct Board.

In the assignment of judicial sanctions, the Conduct Board shall consider the nature of the violation, the respondent's previous conduct, and the circumstances under which the violation was committed. Furthermore, the Conduct Board shall consider restitution an integral part of any decision on sanctions.

E. Respondent's Rights
The respondent shall have the right to:

1. obtain assistance from the Dean of Students Office whenever the complainant is advised to consult local officials;

2. see a written charge against him/her prior to the hearing and written notice of the time and place of the hearing;

3. testify and present evidence, present a reasonable number of witnesses in his/her behalf and have an opportunity to question adverse witnesses;

4. present up to two character witnesses, have one counsel (who must be a member of the College) present at the hearing at all times while the respondent is before the Conduct Board (the Chairperson of the Board should be advised of plans to have a counsel present); and

5. tape his/her own hearing in addition to the official tape.

Formal rules for legally admissible evidence shall not apply; however, evidence must conform to basic standards of fairness and be pertinent to the charge. Sufficient evidence to demonstrate an infraction to a reasonable person shall be the standard proof for determining guilt. The burden of proof rests with the party bringing the case. The Board shall find the respondent guilty when there is a high probability that the facts as presented constitute a violation of College policy.

A respondent's previous conduct record shall not be made available to the Board until after the decision of guilt has been made, and may be used only in the assignment of a sanction.

At least four members of the Conduct Board must vote to convict for a respondent to be found guilty; the Chairperson shall vote only in case of a tie.

Sanctions

A. **Administrative Warning Sanctions:** Whenever possible, an Administrative Warning shall be given in person at the time of the incident; however, it may be delivered to a student through the campus mail. Receipt of an Administrative Warning shall require the student to report to the Dean of Students Office the next working day, at which time a dean shall review the incident.

1. Upon validation of a first warning, notification shall be given to the student, the student's academic advisor(s), and the Director of Security; a record shall also be placed in the student's personal file.

2. Upon validation of a second warning, the Dean of Students shall notify the student's parents or legal guardian in addition to the aforementioned. Within two working days after validation of the second warning, the student may submit a written appeal of the first and/or second warning to the Conduct Board. Failure to appeal within this time prohibits the student from a review of either of these warnings at any future time.

3. Upon validation of a third warning, the student is subject to removal from campus housing. Any appeal of the eviction and/or the third warning, must be filed in the Dean of Students Office within 24 hours. If removal from campus housing is upheld, no refund shall be given the student for a paid room fee. Respondents are subject to other sanctions, either instead of or in addition to removal from campus housing. Residential students (in addition to eviction) and non-residential students shall be subject to the assignment of a Social Contract, Judicial Citation, or Severe Citation.

B. **Major Sanctions**

1. **Social Contract:** a flexible sanction deemed appropriate to the violation. A social contract generally involves service to the College community or restitution. A member of the Dean of Students Staff shall be responsible for supervising the respondent in order to assure that the terms of the contract are met. Failure to comply will result in further sanctions.

2. **Judicial Citation:** a sanction informing the respondent that if he/she is ever (or for a specified period of time) convicted of violating a College regulation again, suspension shall be automatic as the least possible penalty. The designated Board shall state the suspension period applicable to the second violation.

3. **Severe Citation:** a sanction which, in addition to the provisions of the Judicial Citation, excludes a student from all extracurricular activities as stated by the designated Board on a case-by-case basis.

4. **Removal from Campus Housing**: a sanction involving loss of the on campus housing privilege and, in some cases, excluding the student from access to the residence halls.

5. **Suspension and Expulsion** are sanctions which can only be exercised by the President of the College. The President may delegate to the Dean of Students the power of temporary suspension pending final action of civil or College officials if the alleged violation is a potential threat to the safety or well-being of the College or the community. As with all sanctions, the President retains the power of executive privilege and authority.

   Students subject to the sanctions of suspension, expulsion or removal from campus housing may file an appeal with the President; such appeals must be filed in writing within forty-eight hours of the Board's decision. Any respondent may also appeal to the President, in a similar manner, alleged violations of procedure involving the judicial system.

   The Conduct Board, Drug and Alcohol Hearing Board, and the Dean of Students may make recommendations concerning suspension or expulsion to the President.

   Suspension entails removal of a student both from classes and from the campus for a determined period of time (but at least for the remainder of the semester), after which readmission is possible, though by no means automatic.

Expulsion is suspension with no option for readmission.

Suspension of a student for a period of time intended to prohibit that student from completing the semester's work and for any additional length of time up to two academic years shall be noted on the student's transcript. Asterisks shall be recorded where grades would otherwise be recorded. Expulsion shall have the same consequences on the transcript as suspension.

Students on financial aid who are suspended or expelled should note that they are ineligible for aid reconsideration until after they have made up for credits lost. Eligibility would then be dependent on the availability of aid and applicant need.

Records of judicial action are destroyed upon graduation except in instances of suspension or expulsion. These remain as a permanent part of the student's record and are described by the word conduct to distinguish them from similar action taken for academic reasons. Students under suspension are not permitted to withdraw from the College in order to avoid the recording of a suspension.

No refunds are available to students who are removed from campus housing, suspended, or expelled. Students must clear financial obligations with the Business Office before transcripts will be released. Students who are suspended must reapply for admission to the College.

Drug and Alcohol Hearing Board

The Drug and Alcohol Hearing Board shall hear all cases involving alleged violations of the drug and alcohol policies referred by the Dean of Students and decide upon appropriate action based on testimony offered by the Dean of Students (or a designated Associate/Assistant Dean) and by the accused. Once the Dean has acted, the Board shall be required to meet and render its decision within seven calendar days.

A. Composition - The Drug and Alcohol Hearing Board shall be composed of two faculty and one upperclass student plus one faculty and one student alternate appointed by the President upon recommendation from the FPPC and the Executive Committee of Student Government respectively. Board members shall serve two-year staggered terms and the chairperson shall be designated by the President.

B. Process - The Drug and Alcohol Hearing Board shall operate according to the same guidelines as the Conduct Board and may impose any of the sanctions available to the Conduct Board. As part of this process, the Dean may request or the student may present results of appropriate and timely laboratory assessments. Decisions of the Drug and Alcohol Hearing Board concerning the facts of the case must be unanimous; recommendations shall be by majority vote of the Board.

C. Role-The Drug and Alcohol Hearing Board exists to deal quickly, effectively, and fairly with the dangers incurred by our community through student possession and use of illegal drugs and alcohol.

Code of Confidentiality

Confidentiality is of paramount importance in all the above proceedings. Alleged violations of this code by any parties involved in these proceedings are subject to judicial action.

Reporting

Regular reports of the decisions of the Committee on Dispositions, the Conduct Board, and the Drug Hearing Board should be submitted to the Stentor by the Dean of Students;

these reports list charges, decisions, and sanctions but do not include names. Recommendations for the future should be submitted by these groups to the College Council.

Diversity

Individuals or committees involved in nominating candidates for positions on the Committee on Dispositions, Conduct Board, Drug Hearing Board, and the Sexual Harassment Hearing Board should strive for diversity in gender, ethnic, and racial representation.

NO SMOKING POLICY

In order that the campus be in large measure a "clean air" one, it is the policy of Lake Forest College to limit cigarette, cigar and pipe smoking to certain locations of the campus; in such areas not specifically designated as smoking areas, courtesy to those who do not smoke is expected.

Violations of the no-smoking policy are to be reported to one's immediate supervisor or the individual responsible for the building or facility, only after the violation has been brought to the attention of the individual smoking by the individual who wishes to file a complaint.

One or more no-smoking clinics will be held each Fall, providing opportunity for an individual to gain help in terminating a smoking habit.

Cigarettes will not be sold on the College campus.

NO SMOKING REGULATIONS

Smoking is not allowed in public places on the Lake Forest College campus, with the exception of a few specially designated smoking areas. The designated no-smoking areas on campus are:

Classrooms, with no exceptions;

Commons, with the exception of the balcony of Commonplace, the Faculty Lounge, and one of the Pierson rooms in which smoking will be allowed and which by special provision may by reservation be used by staff and their guests; (Note: The Campus Security Department and the work area of the Mail Room shall be considered as private office space, with smoking allowed in those areas if all workers agree.)

Library, with the exception of the single smoking study lounge on the second floor;

Chapel, with no exceptions;

Lounge areas, with only the following exceptions:

a) In residence halls, any lounge which is approved for smoking by a three-fourths vote of the students using that lounge, such a vote to be taken each fall and monitored by the Dean of Students Office;

b) In the Commons, the Faculty Lounge (if approved by vote of the faculty) and the balcony of Commonplace.

Sports Center and Hockey Rink, with the exception of private offices;

Theatre, with the exception of the stage area (for plays), the lobby, and private offices.

Facilities Management Department, with the exception of the lounge, which by three-fourths vote of those using the lounge (monitored by the Director) may be declared a smoking area, and private offices.

Areas where smoking may be permitted (if there is sufficient support among the users):

Private rooms or offices, including rooms in residence halls. (Note: Students may elect a roommate who smokes or doesn't smoke.) When employees share an office, all individuals who share that space must agree before it can be designated a smoking area.

Certain lounge areas, specifically designated as smoking areas in this policy or by vote of the users.

This policy does not apply to Glen Rowan.

PRIVACY STATEMENT

1. **Directory Information**
The amendments to the Family Privacy Act make it possible to release "Directory Information" to any parties without the written consent of the student. As stated in the Federal Register, "Directory Information" includes the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height (of members of athletic teams), dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, the student's class schedule, the name of the student's parents and academic advisor, and other information routinely published in the College Directory. Within the first fifteen days of classes in the fall, a student who wishes to restrict release of "Directory Information" should give written notification to a member of the Dean of Students staff.

2. **Information to Parents/Legal Guardians of Dependent Students**
The College does not need a dependent student's written consent to send his or her parents/legal guardians the following information: College bills, grades or other academic information (as appropriate), and other information about the general welfare of the student.

3. **Confidential Information**
Students may not review their parents' financial records without written consent of the parents. In addition, confidential letters and statements placed in the students' files before January 1, 1975 must have their assurance of confidentiality respected. Otherwise, students may inspect their records in the Office of the Dean of Students.

Persons with questions about the revised law should feel free to consult with the Office of the Dean of Students.

PROPERTY LOSS OR DAMAGE

Lake Forest College does not provide insurance for students' personal belongings such as, but not limited to, bicycles, stereo sets and clothing. If a student sustains a loss, the College cannot be held liable for the replacement of such loss. It is recommended that the student make arrangements for insurance to cover personal belongings.

In the event that there is a possibility of negligence on the part of Lake Forest College, the alleged damaged property must be immediately examined by a representative of the College, preferably the Security Department, and a claim filed with the student's insurance company. This is not a valuation procedure; it merely establishes the fact of loss and possible College action.

College negligence will subsequently be reviewed. Those claiming such negligence must advise the Business Office, in writing, and send a copy to the Office of the Dean of Students.

If settlement is made, the recipient must sign a statement that no reimbursement has been received or will be received from the insurance company.

RECRUITERS

No student may obstruct other students from access to an exchange of information with a speaker, recruiter, or representative who has made arrangements to visit the College.

No speaker, recruiter, or representative who visits the College shall be permitted to take photographs of demonstrators or in any other way prevent students from exercising their right to demonstrate peacefully.

RESERVATION OF CAMPUS FACILITIES

Room reservations for on-campus activities are made through the following offices:
Sports Center - Director of Athletics
Holt Chapel, the Pierson Rooms and Commonplace - Campus Activities

All other rooms in academic buildings, including McCormick Auditorium, Wood Lounge, and Hotchkiss Hall Auditorium, are reserved as follows:

1. for scheduling every day of the week, contact the Dean of Faculty, and
2. for scheduling McCormick Auditorium, Wood Lounge, and Hotchkiss Hall Auditorium after 5:00 p.m. and on weekends, contact the Campus Activities Office.

For the rental of any room or building on campus to an outside person or group contact the Director of Conferences who handles reservations for housing of visiting lecturers and professors.

SAFETY AND SECURITY

Despite the relatively low crime rates in its surrounding communities, Lake Forest College regards the safety and welfare of its students, faculty, and employees as one of its highest concerns. Although the College has implemented the following policies and programs to increase campus security, individuals are reminded that they must assume responsibility for their own safety and that of others.

Reporting Criminal Activity: Students are encouraged to report accurately and promptly all criminal or emergency incidents to the Security Department. All incidents are reviewed by the Director of Security and, where appropriate, a referral is made to local and state police departments. All incident reports are channeled to the President, Vice-President for Enrollment Planning, Vice President for Business, and the Dean of Students office.

Campus Security Personnel and Local Law Enforcement Authorities: The Lake Forest College security officers have no official police power but utilize citizen's arrest authority if a situation requires the immediate detention of an individual. The Security Department has established a close working relationship with the Lake Forest Police and Fire Departments as well as with the Illinois State Police.

Security Information Programs: As part of its student orientation program each fall, the College presents an informational lecture by security officers which is designed to inform students and employees about the College's security procedures, to encourage individuals to be responsible for their own security and that of others, and to assist individuals in the prevention of crime.

Campus Facilities: Access to all campus facilities, buildings, and residences is restricted to Lake Forest College students, faculty, employees, and their guests. The exterior doors to all campus residence halls are designed and equipped to remain locked twenty-four hours a day and are frequently checked by security officers. As an additional protection, resident housing staff and campus security officers patrol the residence halls and their exterior areas daily.

Alcohol and Drugs: The College's policies regarding the possession, use and sale of alcohol and drugs can be found in the "Substance Regulations" section of the Student Handbook.

SEXUAL HARASSMENT STATEMENT

Policy

It is the policy of Lake Forest College to maintain the College community as a place of work and study for staff, faculty and students free of sexual harassment. The violation of this policy by members of the College community, and all third-party individuals who serve the College community, can result in discipline and discharge for employees; discipline and dismissal of students; and such penalties, sanctions, and impositions against other individuals or parties as may be available to the College given the nature of the contractual or business relationship that may be established with such parties or individuals.

Sexual harassment complaints may only be processed under the terms of this policy and such complaints may not be presented or processed through any other internal complaint resolution or grievance procedure.

Definition

Sexual harassment is defined as unwelcome sexual advances (heterosexual or homosexual), requests for sexual favors (heterosexual or homosexual), and other verbal and physical conduct of a sexual nature when (1) submission to such conduct or communication is made either explicitly or implicitly a term or condition of an individual's employment or academic status, (2) submission to or rejection of such conduct or communication by an individual is used as the basis for employment or academic decisions affecting the individual, or (3) such conduct or communication has the purpose or effect of substantially interfering with the individual's work, academic performance, or housing, or of creating an intimidating, hostile or offensive working or educational environment. An offensive or hostile environment will be judged to exist only where the offensive conduct continues over a period of time; a single or isolated instance is insufficient to establish a valid "offensive environment" claim.

Individuals who have been harassed as defined above because of their sex or sexual preference have recourse to formal and informal grievance procedures through the Sexual Harassment Hearing Board.

Sexual Harassment Hearing Board

The establishment of a Sexual Harassment Hearing Board was approved by the Board of Trustees on December 13, 1986. The Hearing Board is composed of eight standing members, appointed by the President to staggered terms of two years each, after consulting with the Faculty Personnel Policies Committee, the Officers of Student Government, and the officers of the Employees Advisory Representatives Committee (EAR). The President shall select the standing members of the board for their sensitivity to the issues with which the Board deals and the respect they command within the College community. All members of the community may nominate individuals for board membership provided the nominees are willing to serve if appointed. Ideally, the standing members of the Board will be composed of equal numbers of men and women, and will include at least two students, two members of the faculty, two members of the exempt administrative staff, and two members of the non-exempt bi-weekly administrative staff.

No more than four members of the standing board will hear any case involving sexual harassment as designated under the section, "The Hearing." The two student board members may only be selected to hear cases in which a student is involved as either complainant or accused. In all other cases, the Hearing Board may be selected only from the remaining six board members.

The chairperson of the Board shall be designated by the President.

Initiating a Complaint

A complaint of sexual harassment must be initiated within 180 days of the alleged harassment or culminating incident of harassment. A member of the College community may talk with any standing member of the Board about sexual harassment. Board members will provide information about the review procedures and their possible outcomes. A board member may encourage an individual to talk directly with the person whose behavior has given rise to the complaint. Provided the complainant agrees, a Board member may discuss a complaint with other Board members, but will identify the complainant only if he or she authorizes such identification and will identify the person complained against only if the complainant agrees to be identified.

Informal Mediation

Informal mediation is required before a formal complaint of sexual harassment is filed.

The complainant must select a member of the standing board to act as mediator. A Board member who judges that a complaint does not warrant mediation may decline a request to mediate. Likewise, a Board member who considers himself or herself unsuitable to act as a mediator shall identify another member of the Board for the complainant who will be willing to serve as mediator. (A Board member may decline to serve as mediator because of his or her particular relation to the person against whom the complaint is lodged, after explaining this to the complainant and obtaining permission of the complainant to talk with other standing members of the Board about the case.)

A person seeking mediation must agree to be identified to the person against whom the complaint is lodged. The mediator shall begin mediation efforts promptly, and shall report the results of mediation promptly to the complainant.

A mediator may talk about a specific case with other members of the Board only with the permission of the complainant, and will identify the person against whom the complaint is lodged only if the complainant agrees to be identified. A mediator may also discuss a case with the chairperson of the Board and/or with the appropriate officer of the College, although only with the mutual consent of the complainant and the person against whom the complaint is brought.

When mediation does not resolve the issue to the satisfaction of the complainant, the complainant may lodge a formal complaint with the Sexual Harassment Hearing Board.

Formal Complaints

Individuals who wish to lodge a formal complaint may do so until up to thirty days after the conclusion of mediation.

A person who wishes to lodge a formal complaint should contact the chairperson of the Sexual Harassment Hearing Board. A formal complaint must be lodged in writing and be accompanied by a signed statement detailing the complaint. The complainant shall submit the statement of complaint to the chairperson of the board, who shall give copies of it to the person complained against and to members of the Hearing Board. If the complaint has no merit as judged by the board's objective standards, the Board may refuse to investigate further, and the case is dropped.

The chairperson shall next provide copies of the complaint to the appropriate College officer; a complaint against a student to the Dean of Students, a complaint against a faculty member to the Dean of Faculty, and a complaint against another employee or a third party to the officer of the College responsible. The Officer may, upon request of either party, try to separate the working, living or academic arrangements of the complainant and the accused.

When a formal complaint is filed, the person accused of sexual harassment will be invited to submit a written response to the complaint. However, a formal reply is not required, and no adverse conclusions will be drawn if a formal reply is not provided. The chairperson of the board shall give copies of the response, if any, to the complainant, the officer of the College dealing with the complaint, and to the other members of the Hearing Board.

The Hearing

The complaint shall be heard by the Sexual Harassment Hearing Board, of whom at least three must be present to constitute a hearing, including one named by the complainant, one by the individual against whom the complaint is made, one by the College's personnel officer, and the chairperson of the committee.

At the hearing, either party has the right to be accompanied by and/or represented by a counselor of his or her choosing who is a member of the College community; a counselor may advise the complainant or the accused, but may not participate directly in the hearing.

The Hearing Board shall interview the parties together so that there is an opportunity to discuss all allegations. The Hearing Board shall decide what further evidence or witnesses are necessary before reaching the final determination.

The Hearing Board shall be guided by the following standard in determining whether a complaint of alleged sexual harassment has merit: the conduct complained of must be offensive to an average individual in the same or similar working environment.

Both parties shall have an opportunity to hear all witnesses and review all further evidence received by the Hearing Board. The Hearing Board shall retire to an executive session to reach its determination as to the presence of sexual harassment. It will present its findings in writing within one week of concluding its deliberations to the officer(s) of the College who supervises the individual(s) involved, with copies to those individuals.

Confidentiality is of paramount importance in all the above proceedings. Alleged violations of this code by any parties involved in these proceedings are subject to judicial action.

Appropriate Discipline

The officer of the College and the Hearing Board, shall together talk with both the complainant and the person against whom the complaint has been lodged. After talking with the complainant and the accused, the officer of the College in consultation with the Hearing Board, shall take the action judged to be appropriate.

After acting, the officer shall prepare a written statement outlining the action taken, and shall give copies of this statement to the complainant, the accused, and members of the Hearing Board.

Written records of sexual harassment complaints and the investigation of those complaints will be retained in accordance with applicable regulations, but only on a confidential basis and will be separated from other personnel or student records.

Normally, officers of the College and board members may discuss a formal complaint identifying individuals only with other officers of the College and members of the board, the complainant, and the person against whom the complaint is lodged. If it seems appropriate for an officer of the College or a member of the community, he or she may do so only with the approval of the board.

Annual Report

At the beginning of each academic year, the board shall report on the previous year's activities. Its report shall include the number of individuals who came to board members for help during the past year, the number of requests for mediation, the number of formal complaints that were lodged, and the kinds of behavior that gave rise to complaints. The board shall submit its report to the President, who shall publicize it to the College community. The report shall not mention the name of any individual or identifying details of any case.

SOLICITATION BY OFF-CAMPUS INDIVIDUALS OR ORGANIZATIONS (including commercial sales, fund-raising, and distribution of literature)

General Regulations

No person (which includes individuals and organizations) other than Lake Forest College students, faculty, or staff, including such College-recognized organizations which they may form, may distribute literature, advertise, solicit, seek donations, or make sales on campus without the express authorization of the Director of Campus Activities.

Specific Regulations

A) COMMERCIAL SALES: The Director of Campus Activities may grant permission for solicitations and sales by off-campus concerns. Such permission, when granted, will be subject to such limitations as the Director of Campus Activities may prescribe.

B) CHARITABLE, POLITICAL, OR RELIGIOUS SOLICITATION: As a general rule, representatives of off-campus political, religious, and charitable groups will not be permitted to solicit on campus. However, representatives of such off-campus groups who are acting on behalf of candidates for public office or of bona fide political or religious organizations may request permission to sell or distribute their political or religious literature under the following guidelines.

1. Non-members of the College community who are acting on behalf of candidates for public office or of bona fide political or religious organizations and who wish to seek permission to distribute and/or sell political or religious literature on the campus must apply to the Campus Activities Office between 9:00 a.m. and 5:00 p.m., Monday through Friday.

2. The only site where political or religious literature may be sold or distributed is between the two entrances of the cafeteria in the Commons Building and across from the Commons Desk. Entrances and exits in and around the building shall not be blocked by persons soliciting or selling.

3. The sale or distribution of political or religious literature will be limited to the hours between 9:00 a.m. and 5:00 p.m., seven days a week.

4. Not more than two individuals will be allowed to distribute or sell political or religious literature at any one time.

5. The sale or distribution of political or religious material by off-campus individuals or groups will be limited to once a month on behalf of any individual or group, but upon petition to the Dean of Students this restriction may be waived at the sole discretion of such Dean.

6. Lake Forest College students, staff, faculty, and their respective organizations will have preference in the use of the campus facility described above in paragraph B(2) over off-campus individuals or groups wishing to distribute or sell political or religious literature.

7. Harassment of members of the College community by those selling or distributing political or religious literature, or sale or distribution outside of the house or location for which permission has been granted, will be cause for the immediate revocation of permission for the sale or distribution of literature.

8. Permission regarding requests under these guidelines may not be granted in particular instances if it appears that any special circumstances relating to College activities may be impeded thereby, or that such permission to sell or distribute political or religious literature may place an unacceptable burden on the College's security forces and administrative staffs.

SPEAKER POLICY

The following is excerpted from the resolution adopted by the Board of Trustees on December 2, 1963:

> ...Lake Forest has long recognized that academic freedom for its faculty and students is not a privilege granted by administration and trustees, but an absolutely necessary atmosphere without which excellence in education cannot be attained. If the quest for truth is not free, then both the quest and the truth are seriously endangered. Every teacher and every student at Lake Forest enjoys the rights guaranteed to all Americans by the Constitution of the United States and the privileges traditionally accorded all members of the academic community, both in the classroom and outside of it....in its policy governing this appearance of outside speakers on campus, Lake Forest College seeks only to be assured that such speakers are willing to engage themselves in a rational dialogue with faculty and students, in a give and take of free discussion.

The sole purpose of inviting a speaker is to contribute to the aims of the College as a center of free inquiry and sound learning. To assure that a speaker is the kind of person whose method of presentation is appropriate to the atmosphere of a liberal arts college, the following procedures must be followed.

1. Only organizations officially recognized by the College may invite a speaker to the campus.

2. Before inviting a speaker, student groups must obtain the written approval of the Dean of Students.

3. If the Dean of Students objects to the invitation of a particular speaker, the College Council will automatically review the case before a decision is given to the applying group.

In May of 1966 the Board of Trustees supplemented its resolution as follows:

> The College is desirous of continuing that policy, opening its doors to all points of view. It seeks also, however, to insure that invited guests of the College, or of groups within the College, will be treated with courtesy and respect, and accorded the dignity due to them as human beings, no matter how strongly persons in their audiences might disagree with their ideas.
>
> The College Administration and Trustees, therefore, set forth the College attitude as follows.

1. The College, out of simple courtesy, wishes to protect its guests from insults and indignities.

2. The College seeks to preserve a forum open to all. Freedom of inquiry in a liberal arts college takes precedence over freedom of public demonstration.

3. Picketing or demonstrating are appropriate tools only where the rational processes of discussion have broken down so that negotiation or dialogue is no longer possible.

4. The College wishes to make it clear that outsiders who are not members of the College community and who seek to intervene or agitate on College property, will be treated as trespassers.

5. Further, in order to preserve an orderly atmosphere and avoid possible embarrassment to invited guests, the College will prohibit two speakers representing opposing viewpoints on the same date, unless the events have been appropriately arranged in advance and unless both speakers have full prior knowledge and acceptance of the circumstances of their invitation.

6. The College neither has, nor desires, authority to prohibit its students from participating as individuals in picket lines or peaceful and lawful demonstrations off campus on behalf of causes with which they are in sympathy.

STUDENT VEHICLE REGULATIONS

1. **Vehicle Registration**

   Fees - $30 for Resident Parking and Registration
   $20 for Commuter Parking and Registration
   $10 for Motorcycles, Motor Scooters and/or Motor Bikes

   All vehicles on this campus must be registered with the Department of Security of Lake Forest College. Illinois State law now requires that the driver of a car be able to show proof of liability insurance. Therefore, any student attempting to register a vehicle will be required to show proof of this insurance before a registration permit sticker will be issued. Freshmen are not permitted to register a vehicle on campus. Exceptions must be approved by the Dean of Students Office prior to bringing a vehicle on campus.

2. **Display of Parking Permit:** Must be displayed on the driver's side rear window only.

3. **Additional Permits:** Commuting students who are already permit holders, who find it necessary to use different vehicles, may present state license plate registration and insurance papers for each additional car and secure permits for the fee of $2.00. A regular permit holder who drives (for emergency reasons only) a vehicle on campus other than the one registered, for one (1) day or longer, must obtain a temporary permit.
